Tammy W Klein JD

BOARD AND STRATEGIC ADVISER

Marco Island Florida | tammy@transportenergystrategies.com | +1.703.625.1072 | transportenergystrategies.com

EXECUTIVE PROFILE

Attorney, founder and strategic adviser with nearly 30 years of experience helping companies and public-sector organizations navigate legal, regulatory, political, market and technology change across transportation and energy. Advises senior executives on risk, strategy, compliance, investment and long-term positioning in highly regulated markets. Brings a record of building a multimillion-dollar global advisory portfolio, leading international teams and working across the automotive, energy, infrastructure, government and nonprofit sectors. Known for independent judgment and the ability to turn complex and contested issues into clear choices for decision-makers.

BOARD AND STRATEGIC CAPABILITIES

LEGAL AND REGULATORY RISK Interprets government, legislative and judicial action and assesses business exposure	**STRATEGY UNDER UNCERTAINTY** Develops scenarios, strategic options and long-term positioning
TRANSPORTATION AND ENERGY MARKETS Connects fuels, vehicles, infrastructure, technology and policy	**STAKEHOLDER AND POLITICAL DYNAMICS** Works across government, industry, NGOs and competing interests
COMMERCIAL AND ORGANIZATIONAL LEADERSHIP Builds products, revenue, client relationships and global teams	**EXECUTIVE COMMUNICATION** Distills complex evidence into practical decisions and recommendations

PROFESSIONAL EXPERIENCE

Founder and Chief Executive Officer | Transportation Energy Strategies

2016 to Present

- Advise global automotive, energy and fuels companies on the business implications of major regulatory, legal, political, market and technology developments in the United States and internationally.
- Provide confidential, decision-focused assessments for senior executives on regulatory strategy, compliance exposure, policy and litigation risk, market development and long-term competitive positioning.
- Develop scenarios that connect elections, legislation, rulemaking and judicial decisions to product planning, investment, technology strategy and commercial outcomes.
- Translate complex legal, technical and economic evidence into clear executive briefings, strategic recommendations and implementation priorities.
- Design regulatory frameworks and lead multi-stakeholder engagements across automotive, energy, government and nonprofit organizations, bridging competing interests and identifying workable policy approaches.

Senior Vice President and Executive Director | Stratas Advisors and Hart Energy

2005 to 2015

Senior Vice President 2011 to 2015 | Executive Director Global Biofuels Center 2005 to 2011

- Led global advisory work on transportation energy, fuels, emerging technology and market strategy for refining, automotive and investment clients.
- Built and grew a multimillion-dollar global research and advisory portfolio with a 90 percent client renewal rate.
- Directed a multicultural team of 20, including seven direct reports, across the United States, Europe, Asia and Latin America.
- Represented the firm in international initiatives involving UNEP, EPA, DOE, IPIECA, NRDC and OPEC.

Associate | Venable LLP

2003 to 2005

- Provided legal counsel to Fortune 500 and nonprofit clients on contracts, environmental and consumer-protection compliance, privacy, international trade, marketing practices and nonprofit governance.
- Assessed regulatory and enforcement risk, drafted policies and procedures and advised clients on evolving legal requirements affecting business operations and communications.

Earlier Experience | Transportation Policy and Regulatory Affairs

1997 to 2003

Deputy Director, International Fuel Quality Center, and Public Affairs Associate, Association of International Automobile Manufacturers. Built an early foundation in global fuel regulation, automotive policy, government relations, executive briefings and stakeholder engagement.
